Student bullying behaviour will be responded to consistently with Chaffey Secondary College's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Chaffey Secondary College will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the follow up action taken by teachers and other school staff.

The Chaffey Staged response is outlined below and is positively focussed with a strong focus on corrective language and acknowledging that behaviour mistakes are learning opportunities for students in most cases.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student’s behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- Prompting and reminding a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to behaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- restorative practices
- detentions
- behaviour reviews
- suspension
- expulsion

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at:

<http://www.education.vic.gov.au/school/principals/spag/participation/pages/engagement.aspx>

At Chaffey we are guided by our Behaviour flow chart as shown below which describes minor and major behaviour and outlines which behaviours are classroom managed and then major behaviours which are managed by the student engagement team.
